

# DINNER FOR 8

*with Chef  
Scott Foster*

Four courses  
of your or his  
absolute  
favorite  
dishes.

**Scott will plan a  
meal with you for  
8 people  
to be prepared  
in your home!**

Scott has created  
many local  
favorite dishes  
that people  
around the Twin  
cities enjoy on a  
daily basis!

**This is one of Scott's passions to give back not only to his gift of sobriety  
but also to help different organizations help those that are in need.  
His menu workings can be felt around town by the many people Scott has been  
proud to mentor and help move on to do their own restaurants and Chef positions.**
